VOLUNTARY WORK

Vice Chairman / Askov Folk High School Student Association, Aug. 2022 – Present

Tutor / Aalborg University.
Sep. 2023 – Dec. 2023

PROFILE

BSc in Techno Anthropology with focus on analyzing and designing complex socio technical systems. Experienced in bridging technology and organizational practice through research driven insights and structured problem solving.

EDUCATION

BSc, Techno-Anthropology / Aalborg University (Copenhagen)
Sep. 2022 – Jun. 2025

- BSc in TAN specializing in socio technical systems, interdisciplinary research, mixed methods analysis and digital methodologies, with emphasis on co-occurrence network modeling and large scale data scraping.
- Graduated with a weighted GPA of 3.9 / 4.0 (Danish grade average: 11.3 / 12) and top grades in core project courses.

Askov Folk High School / Film Production

Aug. 2021 – Dec. 2021

IBG / Democracy and Globalization

Aug. 2017 – Jun. 2020

EXPERIENCE

Technical analyst & Co-owner / Orange Wheel Advisory

Oct. 2025 – Present

- Integrated Monte Carlo based quantitative forecasting models into a web based decision tool for B2B and B2C client acquisition and profitability analysis.

Co-founder / Nordic Mining

Feb. 2024 – Jul. 2025

- Developed a model assessing how flexible data centers contribute to green energy profitability and grid stability, in collaboration with the Danish Energy Agency.
- Startup accepted into the AAU Innovator Hub (incubator program). Later merged with *Orange Wheel Advisory*.

Head of Technical support / Introtech Ventures

Sep. 2024 – Feb. 2025

- Provided strategic guidance and advice on growth plans to drive business expansion, assess the competitive landscape, and advise management on key initiatives.
